PROFESSIONAL WORK EXPERIENCE

Private Practice, Licensed Psychologist, 1992 - present

Sex offender reoffense risk evaluations as a member of the California Department of Mental Health Sexual Predator Evaluator Panel from 1996 – 2009. Evaluated over 500 incarcerated sex offenders for sexual predator status, assessing reoffense risk danger and treatment need. Qualified as an Expert Witness in approximately 75 sexual predator Court Cases throughout California including for plaintiff and defense.

Member of the California Department of Mental Health Mentally Disordered Offender Evaluation Panel 1997-present. Evaluated over 1000 California Department of Corrections prison inmates assessing offender's mental illness, degree of dangerousness, mental illness factors at time of offense, reoffense risk, and treatment needs.

Member of the Washington State Sexual Predator Evaluator Panel from 2009-present, providing sex offender risk evaluation and Expert Witness Court Testimony.

Workman's Compensation Qualified Medical Evaluator, QME#102886; 2010 to present.

CONREP (Conditional Release Program) evaluations of offenders in the community assessing for treatment needs and offense risk, and consulting with treatment providers. 1998-2001

Forensic mental health evaluations for local juvenile and adult Court panels.

SSI disability evaluations 1993-1996. Conducted approximately 400 evaluations for Social Security Disability status.

Neuropsychological evaluations assessing brain injury effects and treatment needs with adults and adolescents.

Taught Master's level psychology courses in Law and Ethics, Family Therapy, and Psychopharmacology.

Out-patient mental health counseling with adults from 1992- 2003. Since 2003 my practice has focused exclusively on psychological evaluation, consultations, and expert witness testimony.

Clinical Psychologist, Dept. of Psychiatry, Kaiser Permanente Medical Ctr., 1995-1997

Outpatient individual, couple, and family psychotherapy.

Staff Psychologist, California Dept. of Corrections, Vacaville and San Quentin, 1992 - 1994
